SEM HALF-DAY MEETING : A DISCUSSION FORUM

2.00 pm 16th MAY 2001

at

The School of Pharmacy, London

A unique opportunity to discuss “cutting-edge” techniques with our four experts. Delegates are invited to submit images or specimens for interpretation and / or help. It is planned to have 4 groups, each group having 30 minutes discussion time with all experts.

EXPERT

Kim Findlay, *John Innes Centre, Norwich.*

Paul Monaghan, *Institute of Animal Health, Pirbright.*

Gay Kennaway, *School of Biosciences, London.*

David Robertson, *Institute of Cancer Research, Sutton.*

SPECIALISED SUBJECT

Preparation of Plant structures and Microbes for Field Emission Scanning Electron Microscopy, including Cryo-fixation.

Improving Immunolabelling for optical and Transmission Electron Microscopy.

Preparation of Refractory Protozoan Cysts for Transmission Electron Microscopy.

Optimising Confocal imaging.

PROGRAMME

1.45 pm : Registration.

2.00 pm : Introduction, The Chairman.

2.05 – 3.05 pm : 2 sessions.

3.05 pm : Tea/Coffee.

3.30 – 4.30 pm : 2 sessions.

4.30 pm : Close and a glass of wine.

Several of us will go to dinner at a local restaurant

To Register free for this *discussion forum*, please inform the secretary as soon as possible, by phone, email or post, please also indicate if you wish to join us for dinner. Address above.
